Community Service Scholarship

Carter Memorial UMC is delighted to offer three \$1,000 scholarships to graduating seniors who plan to continue their education in a college, university, accredited trade school, or alternative pursuit and reside in Needham, Wellesley, Dedham, Dover, Norwood, Westwood and Newton. The scholarship criteria are based on community service and a genuine desire to serve others.

These scholarships are made possible through proceeds from the Pumpkin Patch that the church organizes each fall. This is the church's small way to thank the community for supporting our fundraising efforts through pumpkin sales and to demonstrate our commitment to service in the world.

Applications may be requested through the church office at 800 Highland Ave., Needham, MA 02494, or [office@carterumc.org](mailto:office@carterumc.org) or downloaded at [www.carterumc.org](http://www.carterumc.org). Applications are due back to the church office no later than noon on Friday, May 31 and must be complete with all supporting documents. A final decision will be made by early June and acknowledged at our worship service on Sunday, June 16, at 10:15 AM. If you are awarded a scholarship, we would be honored to have you as part of our worship service that day.

A letter of intent to attend the chosen college, university, accredited trade school, or alternative pursuit will be expected prior to awarding the check.

The application and all supporting documents are due back to the church office no later than noon Friday, **May 31, 2019** with awards being made on Sunday, **June 16, 2019**.

Thank you for considering this opportunity.

**Community Service**

*Several factors attract people to community service and volunteer work however the social and moral good of helping others in need is perhaps the most powerful motivation. Please list your community service activities, as distinct from actives associated with membership in an organization. For example, selling Girl Scout Cookies or hosting a bake sale for the band is not community service or volunteer work as it is an expectation of the organization for funding. Community service done as part of an educational requirement is acceptable since there is no financial gain to the school or individual.*
